

# Clint Pulver Entertainment

## **AV and Stage Requirements**

- **Hand held microphone.** Please note: Not a lavalier or headset microphone
- Drum Set. Five-piece kit brought in by a backline company. **Please Contact our office for questions and support.**
- Drum Microphones. Please note: Not regular handheld microphones are recommended.
- House Speakers. Two 15in Mains and two 18in subwoofers are recommended.
- **Riser or stage** in the front of the room. Placement should be no more than 10 feet from the front row. Additional 4 foot riser on the stage for the drum set is recommended.
- **Stage lighting.** Good stage lighting is a must. Clint performs a high-energy show with a drum solo at the end.
- Big Screens. If the audience is larger than 300 people, big screens may be needed
- **No PowerPoint** support required.
- **Background Screen:** During Clint's presentation, the screen image should either be your company logo or your event's theme slide. We have created an "Intro Screen" which you can use before and/or after Clint's presentation.
