

AUDIO & STAGE REQUIREMENTS

- **Hand held microphone.** Please note: Not a lavalier or headset microphone
- **Drum Set.** Five-piece kit brought in by a backline company. **Please contact our office for questions and support.**
- **Drum Microphones.** Please note: Regular handheld microphones are **not** recommended.
- **House Speakers.** Two 15 in mains and two 18 in subwoofers are recommended.
- **Riser or Stage** in the front of the room. Placement should be no more than 10 feet from the front row. Additional 4 foot riser on the stage for the drum set is recommended.
- **Stage lighting.** Good stage lighting is a must. Clint performs a high-energy show with a drum solo at the end.
- **Big Screens.** If the audience is larger than 300 people, big screens may be needed.
- **No PowerPoint** support required.
- **Background Screen:** During Clint's presentation, the screen image should either be your company logo or your event's theme slide. We have created an "Intro Screen" which you can use before and/or after Clint's presentation.
